

'MAGIC CUBE' CABINET

by André Schelbach

Yomei's cabinet is quite a 1990s affair – all mirrored surfaces, matt black and white lacquer. Like all good bathroom cabinets, the light that comes on when you open it is bright but forgiving. It might be the first time we've heard of Yomei, but we're sure it's not the last. *'Magic Cube' cabinet and stool, €5,498, by André Schelbach, for Yomei, www.yomei.de*
