

## S100 Desk

- 2 desk top versions:
  - **Desk Soft:** curving desk top, (W = 242.7 cm | H = 5 cm | D = 111.8 cm), soft profile around edges
  - **Desk Line:** rectangular desk top, (W = 220 cm | H = 5 cm | D = 100 cm), soft profile around edges
- Desk top configurable left-hand or right-hand
- Desk top direction adjustable in steps of 22.5°
- Optionally with electrically height-adjustable desk top: from 75 cm to 124 cm for ergonomic work, height adjustment system by Linak®: Bluetooth connection, intuitive operating control, reminder function via lighting strip, 4 memory slots for saving individualised height settings, display
- Column covered in high-quality leather or micro-leather with decorative seams in coordinated colour
- Base plate, column and column rings in polished stainless steel (stainless steel brushed or powder-coated as optional extra)
- High-quality cable cover of polished stainless steel (stainless steel brushed or powder-coated as optional extra)
- Support construction on underside covered in high-quality, bi-elastic, washable fabric in black
- Intelligent cable management: cable cover, covered cable guide +multi-outlet power strip on underside of desk top
- Fixtures in polished stainless steel, trim made of polished aluminium (powder-coated as optional extra)
- Adjustable feet for levelling desk
- **Important information on the technology door:** All cables bundled centrally behind the technology door. Inside dimensions next to lifting column: W = 22 cm, D = 34 cm, H = 56 cm, inside dimension widthwise, in front of lifting column: W = 56.7 cm, D = 22 cm, H = 56 cm. Any items that overlap this area are a risk to functionality. Because of the conditional ventilation, we recommend using notebooks or unventilated mini PCs.
- **3 S100 Under-Desk Units:**
  - **S100 Desk Container:** 4H widthwise container element, on plinth under desk top (W = 60 cm | H = 66 cm | D = 86 cm), operated from front, front package, technology door at back
  - **S100 Desk Module 12R:** Ready-to-use configuration as S100 room divider or wall unit on plinth 4H, 12R width (W = 176 cm | H = 66 cm | D = 51.6 cm)
  - **S100 Desk Module, individually designed:** Freely configurable according to pricelist, S100 carcass as wall unit on plinth in 4H, 51.6 cm deep, or S100 room divider on plinth 4H, 51.6 cm deep

### Optional Accessories:

- Cable-free Qi loading
- Cable management for docking station for note book in drawer
- Integrated hanging file holders (up to 3 holders in 3H drawer)
- Inside drawer behind pull-out 3H
- Briefcase holder behind technology door
